A Covering to Those Who Served

WHO WE ARE

Carolina Covenant Housing is a community-focused organization providing safe, low-income housing for veterans in Charlotte and the surrounding counties. We believe every veteran who has served deserves more than a roof, they deserve dignity, stability, and a real place to call home.

OUR MISSION

We don't just provide housing. We provide a promise. A covenant to surround every veteran we serve with the community, the dignity, the stability, and the unwavering support they need, not just to survive, but truly thrive.
